Quality is paramount:

- Babyography® illustrations printed on acid free, archival heavy matt paper, using long life inks.
- Frames use:
 - ⇒ Highest quality raw timber from Australia and NZ.
 - ⇒ Premium acrylic Perspex™ insert, instead of glass, for practical, weight and decorative advantages such as safe transit, nursery safety and freedom from finger prints and sun fade. The acrylic we use is very clear and distortion free, and as good as glass!
 - ⇒ Foam Core board to protect the back of your artworks - the industry standard for conservation framing.
 - ⇒ Inner adhesive Foam Core to mount print, which ensures print will not curl.
